Director of the U.S. Patent and Trademark Office  
Washington, D.C. 20231

Sir:

In response to the Notification of Missing Requirements Under 35 U.S.C 371 in the United States Designated/Elected Office (DO/EO/US) (copy attached) mailed on April 9, 2002, the executed Declaration of the inventors was filed on February 25, 2002. A copy of the executed Declaration as filed, a copy of the Transmittal Letter to the United States Designated/Elected Office (DO/EO/US) Concerning a Filing Under 35 U.S.C. 371, and a copy of the stamped postcard receipt are attached hereto. The surcharge for providing the oath or declaration later than the appropriate 20 or 30 months from the priority date (37 CFR 1.492(e)) was also paid on February 25, 2002 with our Check No. 128150 for \$130.00.

The Notification also indicates that the translation of the application into English is incomplete, because the text on the drawings has not been properly translated. This assertion is incorrect because the only text appearing in the figure, namely "Figure" and "Oleate" are properly translated into English. Thus, no further action with respect to the translation is believed to be necessary.

Entry of these documents on February 25, 2002 should have completed all of the filing formalities. Accordingly, prompt issuance of a Notification of Acceptance and Filing Receipt, and prompt examination and allowance of this application are respectfully solicited.

The Director is hereby authorized to charge any additional fee (or credit any overpayment) associated with this communication to Deposit Account No. 15-0461.

Respectfully submitted,

William P. Berridge
